

5.08 cm / 2" Hexagonal Sticker Template

(This template follows the StickerConstructorSpec at github.com/terinjokes/StickerconstructorSpec)

Safe area - Keep all text inside this border

Trim - Outer edge of sticker

Bleed - This area will be trimmed off

Make sure you:

1. Put your artwork in the "Artwork" layer.
2. Outline your text. (Select text, then Paths > Object to Path)
