Fedora Badges on Pagure

- Fedora Badges Repo Link: pagure.io/Fedora-Badges

The screenshot shows the Pagure web interface for the 'fedora-badges' repository. At the top, there's a header with the Pagure logo, 'Browse' and 'Create' buttons, and a user profile icon. Below the header, the repository name 'fedora-badges' is displayed with icons for 'New Issue', 'Open PR', 'Fork', and 'Clone'. A navigation bar shows 'Source', 'Issues' (110), 'Pull Requests' (2), and 'Stats'. The 'Issues' section is active, showing a bar chart with 110 Open (green) and 609 Closed (red) issues. A list of issues follows, each with a title, description, and metadata. The first issue is '#762 Badge for L10N Group members', opened 12 days ago by shehroz. The second is '#761 Badge for Contributing to the Fedora Zine', opened 13 days ago by riecator. The third is '#760 Nest with Fedora Attendee Badge', opened 15 days ago by riecator, with a status bar showing 'artwork - approved' and 'ready to push'. The fourth is '#759 Permission request: Add bctton to Magazine badges', opened 20 days ago by bctton. The fifth is '#758 Magazine featured image creator', opened 20 days ago by bctton. The sixth is '#757 Magazine Editor badge', opened 20 days ago by bctton.

Fedora Badges Design Resources

- Style Guide
- Backgrounds
- Templates
- Content
- <https://docs.fedoraproject.org/en-US/badges/design-badges/>

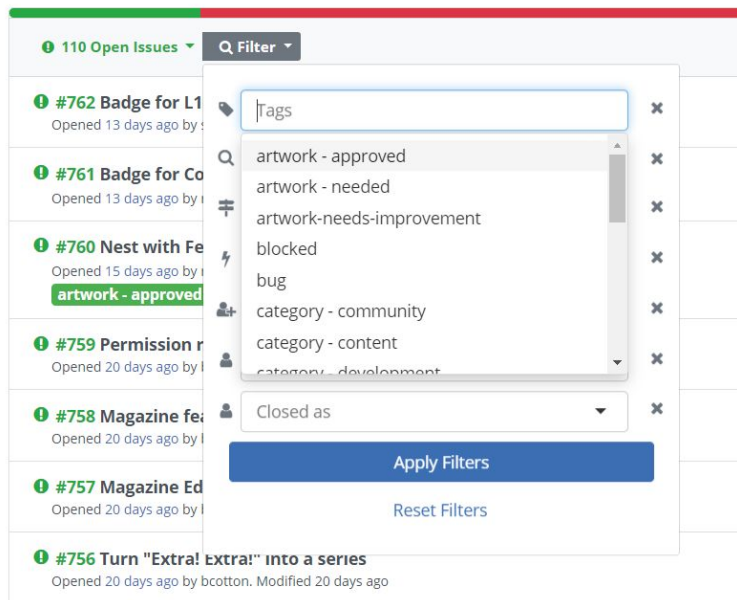

Tutorial

First Steps

1. Download and install all relevant resources
 - a. Inkscape
 - b. Palette
 - c. Templates
2. Identify a ticket that needs artwork:
<https://pagure.io/Fedora-Badges/issues>

Research

1. Look at s

1. Look at similar badges
2. Choose a concept for your badge
3. Gather inspiration and resources
 - a. <https://docs.fedoraproject.org/en-US/badges/>
 - b. Search engine of your choice
 - c. Existing Badges

Categorization

1. Use the style guide to categorise your badge
 - a. https://docs.fedoraproject.org/en-US/badges/_attachments/fedora-badges-style-guide.pdf
2. Open the corresponding template in Inkscape

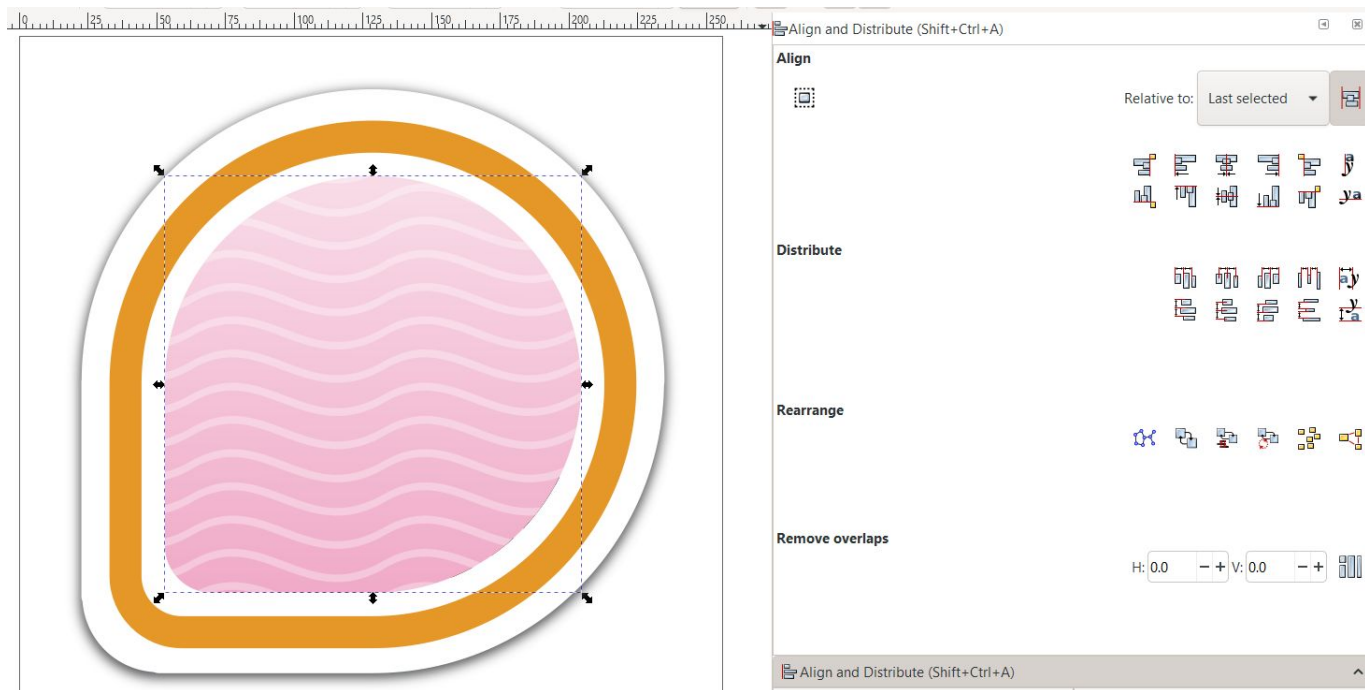

Background

1. Use the sub category page to define color
 - a. https://docs.fedoraproject.org/en-US/badges/_attachments/fedora-badges-style-guide.pdf
2. Select color from Fedora & Badges Palette
3. **Save**

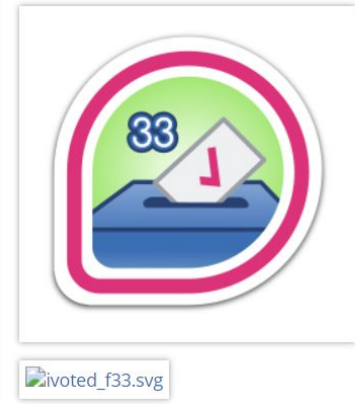

Background

1. Background can vary depending on concept
2. Draw your own/Import/Gradient/Glow
3. Tip: Use Align and Distribute to match up pattern with background

Download Artwork

1. You might need to download artwork.
2. Occasionally you'll encounter an older file from fedorahosted that will not load.

pagure.io/Fedora-Badges/issue/raw/files/3e3

Page not found (404)

With the message:

File not found

You have either entered a bad URL or the page has moved, removed, or otherwise rendered unavailable.
Please use the main navigation menu to get (re)started.

3. To fix this:

<https://pagure.io/Fedora-Badges/issue/raw/files/3e3...>

<https://issue/raw/files/9f1ce...> => pagure.io/Fedora-Badges/issue/raw/

Graphics

1. Draw from scratch/Import/Reuse/Remix
2. Evaluate your design with the Style Guide
3. Export a PNG and save. Make sure it's 256x256px at 96 dpi

Revisions

1. Mentors will review design and give feedback
2. Make revisions and once complete, mentor will set to “ready to push”
